

LICENSE REINSTATEMENT PROGRAM / CAPP

**This program is for those individuals whose license is suspended due to non-payment of Iowa fines.
IF YOU ARE REVOKED OR BARRED, THIS PROGRAM WILL NOT HELP YOU GET A FULL LICENSE.**

TO QUALIFY, YOU MUST SUCCESSFUL COMPLETE THE FOLLOWING STEPS:

1. Fill out and submit a wage assignment form.
(A plan of payment will be accepted only if you are unemployed, and requires County Attorney staff's approval of the payment amount)
2. Make your first payment. (Amount set with your worker)
If you are not paying your court debt, you will not qualify for this program.

Once steps 1 & 2 are done, we check with the Department of Transportation for other DOT issues such as:

- DOT Civil Penalties
- Small Claims judgments, as a result of an auto accident.
(must be satisfied before being accepted into The Program)
- Out of State fines which may be holding up your drivers license.
(cannot be added to the License Reinstatement Program plan)
- Child support license sanctions.
(must be lifted before being accepted into the program)

If you have civil penalties to take care of before entering the program, **they should be paid at the DOT.**

Before entry into the program, you will be REQUIRED to **obtain** and **maintain** financial liability coverage (**Auto Insurance**). You can have your own insurance or be a listed insured on someone else's policy. **If you do not own a vehicle, you must obtain a "non-owner's policy."**

Proof of Insurance MUST be presented to the BHC Attorney before entry into the program.

Once you are fully qualified for the program it **MAY TAKE 3-7 DAYS** before the DOT clears the holds off of your license. Please check the DOT website (**mymvd.iowadot.gov**) to see if the holds have cleared.

DO NOT wait to receive anything else from the County Attorney. Call your case worker if the hold still shows up after 3-7 days.
