Employment: Black Hawk County does not discriminate on the basis of disability in its hiring or employment practices and complies with all regulations promulgated by the U.S. Equal Employment Opportunity Commission under title I of the ADA.

Effective Communication: Black Hawk County will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities so they can participate equally in Black Hawk County's programs, services, and activities, including qualified sign language interpreters, documents in Braille, and other ways of making information and communications accessible to people who have speech, hearing, or vision requirements.

Modifications to Policies and Procedures: Black Hawk County will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services and activities. For example, individuals with service animals are welcomed in Black Hawk County offices, even where pets are usually prohibited.

Anyone who requires auxiliary aid or service for effective communication, or a modification of policies and procedures to participate in a program, service, or activity of Black Hawk County, should contact the Maintenance Superintendent's Office at (319)833-3087 as soon as possible but no later than 48 hours before the scheduled event.

The ADA does not require Black Hawk County to take any action that would fundamentally alter the nature of its programs or services, or impose an undue financial or administrative burden.

Complaints that a program, service, or activity of Black Hawk County is not accessible to persons with disabilities should be directed to Rory Geving, Maintenance Superintendent at (319)833-3087.

Black Hawk County will not place a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the cost of providing auxiliary aids/services or reasonable modifications of policy, such as retrieving items from locations that are open to the public but are not accessible to persons who use wheelchairs.
