

[Notice of Privacy Practices for Participants in the Black Hawk County Group Health Plan](#)

Effective October 21, 2014

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

If you have any questions about this notice, please contact Amanda Fesenmeyer at (319) 833-3009. Black Hawk County’s Health Plans are required by law to maintain the privacy of your Health Information and to provide you with this notice of their legal duties and privacy practices with respect to your Health Information and to notify you following a breach of uncovered Health Information. This notice is being issued to comply with the requirements of the Privacy Rules under the Health Insurance Portability and Accountability Act (“HIPAA Privacy Rules”).

WHO SHOULD READ THIS NOTICE?

This notice is for participants enrolled in the health plans listed below that are sponsored by Black Hawk County and its affiliates.

WHAT IS HEALTH INFORMATION?

For purposes of this notice, your “Health (or medical) Information” is information that identifies you and relates to your past, present or future physical or mental health or condition; the provision of health care to you; or the past, present, or future payment for health care furnished to you. It includes genetic information as defined under Title I of the Genetic Information Nondiscrimination Act of 2008.

WHAT GROUP HEALTH PLANS ARE COVERED BY THIS NOTICE?

The following health plans are covered by this notice (collectively the “Plans”):

Black Hawk County Employee Medical and Prescription Drug Plan

The term “we,” “our” or “us” in this notice refers to the Plans listed above and may include third party administrators and selected Black Hawk County employees, who conduct plan administration functions. The term “you” or “your” refers to employees and dependents who participate in a health plan covered by this notice.

Because insurers of health plans are obligated to send a notice of privacy practices under the HIPAA Privacy Rules, you may also receive a privacy notice from an insurer (such as for the Black Hawk County Employee Medical and Prescription Drug Plan. The insurer’s notice will apply only to the plan it insures. This notice will apply for the self-funded health plans sponsored by Black Hawk County listed above.

All of the health plans sponsored by Black Hawk County are part of an organized health care arrangement. This means that these health plans may share your Health Information with each other as needed for the purposes of payment and health care operations, as described in this notice.

HOW ARE THE PLANS ADMINISTERED?

The Plans do not have employees. Instead, employees of Black Hawk County or third party administrators, retained by Black Hawk County, administer the Plans. For example, PreferredOne Administrative Services and Delta Dental currently are the third party administrators for some of the Plans and administer the Plans in a way similar to the way a health insurance company administers an insured health plan. Each third party administrator has contractually agreed to keep your Health Information confidential, in compliance with HIPAA Privacy Rules. In addition, certain Black Hawk County employees perform administrative services for the Plans. When these employees perform plan administration functions on behalf of the Plans, they keep your Health Information separate and do not share it with other employees within Black Hawk County unless permitted by the HIPAA Privacy Rules.
