### **National Nurses Week Proclamation**

Whereas, nurses in the United States comprise our nation's largest health care profession;

Whereas, the depth and breadth of the registered nursing profession meets the different and emerging health care needs of the American population in a wide range of settings;

Whereas, a renewed emphasis on primary and preventive health care will require the better utilization of all our nation's registered nursing resources;

Whereas, more qualified registered nurses will be needed in the future to meet the increasingly complex needs of health care consumers in this community;

Whereas, the depth and breadth of the registered nursing profession has faced unprecedented times that most of us never imagined;

Whereas, the cost-effective, safe, and quality health care services provided by registered nurses will be an ever more important component of the U.S. health care delivery system in the future;

Whereas, nurses demonstrate courage, compassion, dedication, and leadership in caring for our impacted communities, at great risk and personal sacrifice;

Whereas, the American Nurses Association has declared the week of May 6-12 as National Nurses Week in recognition of the professional integrity and essential value of our nursing workforce,

Now, therefore, be it *Resolved*, that the Black Hawk County Board of Supervisors have declared the week of May 6-12, 2025, as National Nurses Week in Black Hawk County, Iowa.
